**Bobo's At The Lake Realty Trust
7 Puffs Point
Lake Winnepesaukee
Standard Dredge & Fill
TM #259-18**

The applicant proposes a breakwater to prevent damage to an existing "U" shaped dock from the prevailing winds and excessive waves due to boat traffic.

The Wolfeboro Conservation Commission reviewed the Bobo's At The Lake Realty Trust Standard Dredge & Fill application, Tax Map #259-18 and noted that the property does not appear to be located in an area of Lake Winnepesaukee where breakwaters are authorized.
