CONSERVATION COMMISSION  
DREDGE & FILL MEETING  
October 13, 2014**

**Members Present:** Dan Coons, Chairman, Gail Antonucci, Art Slocum, Gary Mason, Members.

**Cosmic Cove, LLC  
Grand View Commons  
Lake Winnepesaukee  
Minimum Impact Expedited  
Tax Map #214-1-34**

The applicant proposes to repair a 30' section of an existing 240' rock swale with no change in size, location, configuration or construction type.

***The Wolfeboro Conservation Commission noted no objection to the Cosmic Cove, LLC Minimum Impact Expedited application, Tax Map #214-1-34.***

**Edward & Leanne Collazzo  
19 Melody Island  
Lake Winnepesaukee  
Standard Dredge & Fill  
Tax Map #258-9**

The applicant proposes to permanently remove existing 7'x36' rock groin, replace a 6'x30' piling dock in kind, install two seasonal boatlifts, install two seasonal PWC lifts and construct a 300 SF perched beach.

***Referencing the Edward & Leanne Collazzo Standard Dredge & Fill application, Tax Map #258-9, the Commission does not recommend approval of the application, as submitted. The Commission notes that the rock groin appears to have been placed so that it encroaches across the property line of the abutter; noting that any encroachment within 20' of the property line requires the expressed permission of the abutter.***

Respectfully Submitted,  
*Lee Ann Keathley*
