Big question on everyone mind: Will the lake freeze??? Yes...it had better! Our non-lake freeze plan will not stop us! We hope to have Fisherville still set up downtown somewhere. Will discuss with the appropriate people when the time comes.

- T-Shirts/ Sweatshirts Sales: At Black's, Wolfes Tavern, Dive Winni, Nolan's. Need to sell.
- Events:
Feb. 20, 2015
Fisherville Food and Brew fest! Need to come up with a catchy name. After the New Year we will touch base with town and state about getting the liquor license for said event. Also touch base with the town about what is needed from us – area map, diagram, area blocked off where alcohol will be served/ sold. Want to touch base with Lisa Beveridge on this as well.
- Notes: Still confusion on the Bank account. We would like to get together with Dave Owen, John Burt, Caroline and myself.

Happy Holidays to all!
