

Fisherville Agenda
7/9/2015

Fisherville Meeting Minutes 7/9/2015

Attendance: Lucy Van Cleve – Wolfeboro Inn; Caroline Nolan – Nolan’s Bistro; Paul Green – Wolfeboro Resident

Wanted to have everyone together to meet.

Again, need to get committee members in order to reach this goal of 7 members.

Would like to shoot for 2015 winter to have Fisherville out on the ice – even if it is small. Like a soft opening if you will. We expect it to be smaller the first year and have the event grow!

Creating a logo, Mission Statement and guidelines was also discussed.

Logo: Would like to open to the town for ideas to drum up excitement. We felt with the time crunch we need to create the first year logo with just our committee voting and opening it to town for 2016 season.

Mission Statement: Need to write one.

Guidelines: Put together for ice houses so they are all in good taste.

The goal of Fisherville is to create an attraction to Wolfeboro in the winter months. Many people still depend on tourists to come to town and spend money and stay here. Fisherville is going to be the attraction. Success is dependent on land to lake access and getting snowmobilers into the center of town. These are important things that need to be discussed.

Next Meeting:

Meetings are scheduled **6:00 PM Tuesday August 4** at Nolan’s Bistro

We look forward to seeing you then!
