

Pathways Committee
June 19, 2013
Meeting Minutes
Wolfeboro Town Hall

In attendance: Jim Eisenhower, George Vanderheiden, Vaune Dugan., Peter Cole, Barbara Laverick, Jim Nupp, Art Slocum, Kathy Barnard.

Jim Eisenhower called the meeting to order at 5:02PM.

According to the Treasurer's report Pathways of Wolfeboro has \$42,253.15 in the WEDCO account. New brochures have been printed describing the Sewall Woods and Abenaki Trails.

It was reported that the Sewall Woods trails are in good condition. There are some ruts in the Abenaki trails and the weeds need to be trimmed back.

There was a discussion about the path at Front Bay leading to 109A from the existing trail. That path needs to be finished so pedestrians can use it. Kathy Barnard will contact Dan Coons about scheduling the rest of the work.

It was reported that the Map project is in the final stages. We will need funds to print the map and will need to charge for the map.

Jim reported on the joint venture with Pathways and the Economic Development Committee to provide safe passage for bicycles through the downtown area. This will require outreach to the stakeholders in order to obtain support for a plan. A community wide meeting will be needed. George and Jim will meet with Rob to discuss plans for this project.

There was discussion about a suitable location for the bench constructed by Fred Tedeschi. It was determined that the intersection of the Schuss Trail and Tuttle trail should be considered. Jim will have discussions with Steve Flagg and Lakes Region Conservation Trust prior to the final placement of the bench..

Barbara Laverick reported that the Energy Fair will take place on 11/2/2013.

The next Pathways Committee meeting is scheduled for July 11, 2013, 5:00PM, at the Town Hall meeting room.

Meeting adjourned 5:55PM.
