Center Street Zoning Public Forum

Rob Houseman reviewed the PowerPoint presentation, see attached. Following such, attendants broke into focus groups led by a facilitator to discuss issues related to natural resources, gateway enhancement and permitted uses / land uses & district boundaries. Information from the focus groups will be compiled and reviewed at a subsequent Board meeting. He noted a follow up forum would be scheduled in late summer and a draft ordinance would be prepared for review by the Lake Wentworth / Crescent Lake Watershed Management Plan consultant.

Please note 53 people attended the forum (not including Planning Board members and staff).

There being no further business, the forum adjourned at 9:10 PM.

Respectfully Submitted,
Lee Ann Keathley
