Commissioner's Items

➤ ***School District- bus activity***

Chairman Wood stated since the last discussion on this topic the SRO at the High School will be handling complaints and concerns about the buses and they have also had discussion with a number of the bus drivers regarding recent accidents that have happened. It seems the common issue is impatient drivers and as a result of this the SRO will be tasked with monitoring the buses when school is released, in addition to his regular duties. There has been some discussion of adding a cruiser with lights during school release, similar to what is done at Carpenter school, to attract attention. He noted that they have reached out to NH State Police and are awaiting a response.

Commissioner Balboni questioned the status of adding cameras.

Chairman Wood replied he would have more information on that after a meeting with the school district.

➤ ***Public Safety Building Open House***

Captain Rondeau stated that the event is scheduled for July 2, 2016 from 11 AM to 1 PM and the next step is to submit a Temporary Event permit for approval by the Board of Selectmen.
